Alma Mater

Oh, Arms, our Alma Mater,
 All hail, to thee, all hail!
 Behind thee stand the tower,
 Before thee leads the trail.
 Thy sons and daughters ever
 Thy praises loud will sing;
 Oh, Arms, our Alma Mater,
 Accept our offering.

We love thee, dear, old Arms,
 Thy colors red and white;
 Where e'er our work may call us,
 Thy memory shall be bright.
 We'll ever guard thy honor
 And true to thee we'll be;
 Oh, Arms, our Alma Mater,
 All hail, all hail, to thee!

Editor's Message

This year we have made many changes both in the personnel of the staff and in the format of the Arms Student. We have recorded the important activities and events of our school so that you may have as many hours of enjoyment from this book as we have had in preparing it.

Principal's Message

The primary objective of this "Arms Student" is to present in pictures an account of the events that have taken place at Arms Academy during this school year. The editors have accordingly emphasized those activities which are essentially extra-curricular rather than those associated with any subject matter. These activities are indeed important. Yet I hope, as you young people grow up, that you will increasingly realize that the learning, the discipline, the concentrated mental effort called for in your academic work have been equally important. That phase of your lives here cannot be captured in pictures for a yearbook--but it will be reflected by what you accomplish in the years ahead.

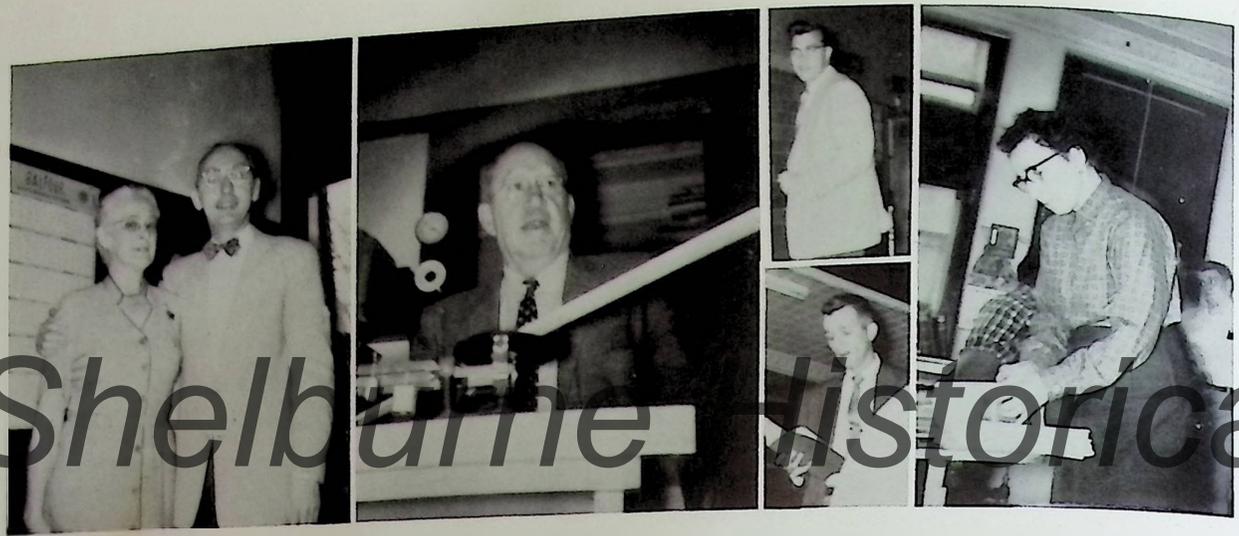

John P. Thompson

Dedication

For your friendliness and helpfulness during our years at Arms, for your faith in us, and your capable guidance in our junior year, we, the Class of 1957, are proud to dedicate our yearbook to you,

To Music

For the musically minded students we have the band and chorus. Under the direction of Mr. Stanley Smithers the band, now the largest in Arms Academy's history, appeared at all the football games, the Franklin County Fair, the Senior Play, the Western Massachusetts Music Festival, the Memorial Day Service, and Commencement. At these performances a snappy new drum beat and several new formations were

added. In June the musical year was climaxed by the Annual Spring Concert with both the band and chorus participating. The selections included "America's Prayer", "In My Own Quiet Way", and "Give Us This Day" by the chorus and "Jungle Magic", "Sunset Soliloquy", and "Treasure Of The Incas" by the band with both groups merging together for "A Salute To America" and "To Music."

Roll on
to Victory

Adding color and fun at the football games are our cheerleaders and twirlers. The twirlers led by Mary Galbo, head majorette, and Sandra LaPierre, head twirler, are an invaluable part of our band with their snappy new routines and flashing batons. The cheerleaders' peppy calls and gay red

and white uniforms are indispensable in keeping up the school spirit and cheering the boys on to victory, not only at the football games, but also at the basketball games. Working together this fall the two groups introduced a new school song: "We're From Arms Academy."

Behind The Scenes

A group of students representing the student body at large is an essential part of any school, and Arms Academy is no exception. Behind the various drives for charity, campaigns for good government day, money for athletics, and solutions to problems which naturally arise during a school year is our student council. Composed of three representatives from each class, the ductor of Pro Merito, and the editor-in-chief of the yearbook, the coun-

cil meets once a week with their advisor, Mr. Frude. Some of the discussions which were carried on between the various drives and campaigns concerned the Youth League, the revision of the constitution, and money for CARE. Since there has been so much progress in the prevention of polio, the council deviated from the policy of the past few years and after consulting the student body, recommended that the school support the Cancer Fund.

For our future world travelers and foreign correspondents we have two language organizations: "Le Cercle Francais" and "El Circulo Espanol." The Spanish Club was organized in September. The aim of both clubs is to familiarize the members with the language and customs of their representative countries. Each month the groups meet, with the Spanish Club presenting skits, songs, and games, and the French Club featuring a Christmas party, various skits, a movie, and the final picnic in June.

Art Club.

New things are interesting, and our Art Club certainly fits this description. This group meets one Thursday each month with their art director, Mr. John J. Shea. At these meetings they discuss and appraise

different types of art and styles of architecture. In addition, they have enjoyed slides, and they are planning to visit an art museum in the future.

F. F. A.

This year there were thirty-two active members in the F. F. A. The first activity held was the F. F. A. Dance which helped to raise money for the chapter. In December the group held its Parent and Son Banquet in Buckland at the Mary Lyon Church. Also they visited a leadership training school in Agawam to help train the officers and acquaint them with their duties in the F. F. A.

The chapter attended the Eastern States Exposition on F. F. A. Day, and Crowningshield

won first place at the state NEPPCO egg grading contest and was a member of the two-man state team in Syracuse. Others took part in state judging contests at U. M. Several of the members qualified to return in the spring for the finals.

This chapter has participated in radio programs on WHAI in Greenfield and also has had articles appear in the Greenfield Recorder Gazette.

"STUDENT" STAFF

"There will be a 'Student' meeting in Room 103," were familiar words to the "Student" staff members. To cut production costs and to have the "best yearbook ever" were the goals for the school salesmen and the would-be journalists. Toward this end the seniors and an unusually large group

of underclassmen worked with their advisor, Mrs. Isabelle Haller, during their free time. A trip to Chicopee Falls was planned to increase their understanding of just how a yearbook is published. For more ideas on yearbook editing and advertising, a group attended a conference at Boston University.

Football

Always fighting for victory, our football team hung up a 5-3 record under the guidance of our new coach, "Jim" Piehl. Each player had some experience in football, which should strengthen next year's team. The combination of a ground, as well as passing, attack proved its worth and helped to win

more than one game. The newly formed junior varsity team won a close game with Turners Falls.

Leaving a big hole in the squad by their graduation are co-captains John Randolph and Ronnie Scott; Dick Shippee, Sam Lee, Danny Kelleher, and Forrie Gleason.

Girls' Varsity Basketball

From a group of forty eager tryouts, this year's varsity and junior varsity basketball teams were chosen. Although the win record was not very good, under Mrs.

Mirick's coaching we found that a good time could be had traveling to and from games and making new friends with opposing players even if we lost the games.

Varsity Baseball

The 1956 baseball season at Arms Academy ended with the team winning its third Hampshire League title in the last four years. The boys lost their only game to the Hopkins club 11-3. They had an over-all season's record of ten wins and one loss.

The team was composed mostly of juniors

and seniors, led by co-captains Tom Valiton and Bob Elwell.

The boys who will be missed on next year's club are Tom Valiton, Bob Elwell, Ralph King, Chuck Upton, Russ Wissman, and Ray Roberts.

Pro Merito

Pro Merito is the Arms Academy honor society for those seniors whose scholastic average for their first three years has been 85% or better. Equally important is character, and each candidate must have exempli-

fied such traits as dependability, service, honor, leadership, loyalty, and courtesy. Membership in the society is a great honor one to be treasured for a lifetime.

Our Prom

Everyone last year enjoyed the Junior Prom, but none as much as this year's seniors who worked hard to make it a great success. A lot of co-operation was shown by the many workers who spent their time putting up the decorations and cleaning up the next day, as well as the committees who planned it all in the first place. The decorations were in two shades of green and white and consisted of a complete ceiling, fresh flowers on the walls, and garden settings for the Queen's throne and the orchestra. The official theme was "Springtime." As the main event of the evening Anne Marie Parks was chosen Queen with her escort, Sherman Pike, as King. The attendants were Suzanne Drew, Ronald Scott, Jane Jurek, and James Billiel.

Music was provided by Dick Perry's Orchestra, which did a wonderful job.

The Christmas Formal

On December 21, 1956, the Seniors held their last dance, the Christmas Formal. It will be long remembered by those present. Everyone felt the Christmas spirit with all the seasonal decorations and the brightly lighted tree in the center of the gym. Bill Malloy's Orchestra added to the affair and made it that much more enjoyable. The eagerly awaited crowning of the Christmas Queen -- Mary Galbo -- and the King -- John Randolph -- her escort, was met with approval.

Of late years there has been a great deal of controversy concerning the Alumni section. We have noticed that other yearbooks do not have this section and wonder if this should be continued in The Arms Student. It would be helpful to future staffs if you would let us know your opinion through a letter addressed to the office.

We wish to thank the members of the Alumni for all their work in compiling this information. We realize the time and effort involved and deeply appreciate their cooperation.

Threads can be no better than the taps you use. That's why it's important to use taps that are as near perfection as it is possible to make them.

"Greenfield's" close control of every measurable element of a tap is your guarantee that you are buying the best that can be made. This accuracy is bound to be reflected in the threads they tap.

WE CONGRATULATE YOU UPON THE COMPLETION OF YOUR HIGH SCHOOL COURSE. YOUR DIPLOMA IS A SYMBOL OF A WISE INVESTMENT IN PERMANENT VALUES -- VALUES THAT WILL BE A SOUND FOUNDATION FOR CONTINUED GROWTH, WHEREVER YOU GO, WHATEVER YOU DO.

SOMETIME IN THE FUTURE YOU WILL HAVE A NEED FOR TOOLS -- FOR YOUR JOB, OR YOUR HOBBY, OR HOME REPAIRS. WHEN THIS TIME COMES, LOOK FOR THE MILLERS FALLS TRADEMARK -- THE SYMBOL OF PERMANENCY OF TOOLS. SINCE 1868 WE HAVE CONSTANTLY SEARCHED FOR BETTER MATERIALS, DESIGNS, AND FINISHES TO GIVE LIFETIME UTILITY TO THE TOOLS WE MANUFACTURE. GIVEN REASONABLE CARE, THESE TOOLS WILL "SEASON" IN USE, TAKING ON A CHARACTER ALL YOUR OWN AND WILL BE LIFETIME FRIENDS KNOWN AND PROVEN BY THE WORK THEY PERFORM.

FOR YOUR CHOICE OF A LIFETIME --- CHOOSE MILLERS FALLS.
